Select Charlotte as your local chapter

WHY SHOULD YOU JOIN THE AFP CHARLOTTE CHAPTER?

CONNECTIONS

Get to know nearly 300 other local fundraising professionals. Exchange ideas at our monthly meetings. Or reach out to someone via exclusive access to our member directory. You can also participate in our member-only affinity groups to dive deeper on topics of special interest. Groups include planned giving, major gifts, annual fund, small shop, senior forum, and new professionals.

LEARNING

As a 10-Star chapter Charlotte's monthly meetings bring in nationally recognized experts, as well as local and regional speakers. Between meetings, our monthly newsletter and legislative updates ensure you stay informed.

GROWTH

The Charlotte Chapter invests in the professional development of members. Join our mentoring program, either as a mentor or mentee. Members are eligible for scholarships, including to the AFP International Conference, the NC Philanthropy Conference, and AFP Fundamentals and CFRE workshops. A stipend is offered to offset the cost of the CFRE exam.

SAVINGS

In addition to scholarships and stipends, members receive discounted rates for monthly programs and the NC Philanthropy Conference, as well as for job postings to the Chapter jobs board. In addition, because of your membership your organization can get a FREE board training session with a local expert to help them understand their role as fundraisers. Membership discounts are available for young professionals, small nonprofits, and more.
