

CFRE Reimbursement Policy

AFP Charlotte has designated a limited amount of funds to support CFRE certification and recertification for its members by reimbursing members in the following amounts:

- \$200 toward initial CFRE certification
- \$100 toward CFRE recertification

Members must provide proof of passing the CFRE exam or receiving their CFRE recertification. There is no limit on the number of times a member may request or receive reimbursement for CFRE recertification, as long as funds are available.

The reimbursement program is effective as of AFP Charlotte's Board Meeting on April 8, 2015 and is retroactive to January 1, 2015. Reimbursement is only available for AFP Charlotte members who have paid out-of-pocket for their exam or recertification (i.e. organizations cannot be reimbursed if they paid for their employee's CFRE expenses).

To request reimbursement, please email Lucy Mitchell at lucy@loavesandfishes.org. Please include documented proof of passing the CFRE exam or receiving CFRE recertification along with the receipt from CFRE International.
